Dynamic Leadership:

Dynamic Leadership is a national FCCLA program that helps young people build leadership skills. It provides information, activities, and project ideas to help young people:

- learn about leadership;
- recognize the lifelong benefits of leadership skills;
- practice leadership skills through FCCLA involvement;
- become strong leaders for families, careers, and communities.

Dynamic Leadership Topic Areas:

Dynamic leaders master six essentials of leadership:

- Model good character
- Solve problems
- Foster positive relationships
- Manage conflict
- Build teams
- Educate peers

These leadership essentials are sparked by studies in Family and Consumer Sciences Education. They are ignited by experience with hands-on FCCLA projects and leadership roles. They are fueled by continued growth and learning to fan a lifelong flame of Dynamic Leadership.

Early experiences with the essentials of Dynamic Leadership build the fire for a lifetime of strong leadership in families, careers, and communities.
